MEMORANDUM FOR [REDACTED]

25X1A9a

A meeting was held at 9:00 in my office with Col. Lessig. Present were three people from my staff plus [REDACTED] from OPC. Col. Lessig was shown our suggested reply for Gen. Smith's signature and requested that the reply, regardless of its contents, be held up for Gen. Smith's return so that the reply would bear the General's signature. Col. Lessig will continue to consult with the Training Staff on this subject.
